Criminal History: [REDACTED]

SYNOPSIS

In the weeks leading up to the date of the shooting incident, the City of Compton had experienced a major increase of gang-related shootings. Deputy Magadan and Deputy Ramirez, along with their sergeant, Brian Hill, all assigned to the Compton Community Impact Team and working in conjunction with the County-Wide Violent Gang Crime Task Force, established a tactical plan to approach an apartment complex. The purpose was to conduct a gang loitering/field identification operation and to identify and arrest an individual who had brandished an assault-style rifle at a victim the day before. A containment perimeter was secured and an Aero Bureau unit summoned and positioned prior to the approach.

IAB Note: Documents relating to the prior assault rifle information (Incident History Report, Tag 115, April 28, 2008) is contained in the investigative book in under **Exhibit L**.

Deputies Magadan and Ramirez, followed by Sergeant Hill, walked west from [REDACTED] (see **Exhibit G**, a neighborhood map) through a [REDACTED] (see **Exhibit D**, photos, figures 1 through 6) along and to the west end of a block wall (see **Exhibit D**, photos, figures 6 and 7), approaching the east side of Grandee Avenue at the [REDACTED] end of the apartment complex (see **Exhibit D**, photos, figures 8, 10, 14 and 15, and **Exhibit G**, aerial photos). They noticed a group of individuals across the street on the west side, approximately [REDACTED] yards west of their location, standing around on the lot outside of the apartment buildings (see **Exhibit D**, photos, figures 9, 11, 12 and 13). At the end of the wall, Deputy Magadan advanced and took cover behind a vehicle parked on the east side curb (see **Exhibit D**, photos, figures 7, 8 and 14) while Deputy Ramirez stayed at a position of cover behind the end of the block wall, with Sergeant Hill positioned just behind and east of him (see **Exhibit D**, photos, figures 6 and 7). As personnel finalized getting into position, one of three male blacks seated on an apartment stairway on the west side of the street yelled, "Po Po" (a slang term indicating police were coming) and another male black standing near the lookout suspect fired one round from an assault rifle at the deputies. Deputies Magadan and Ramirez returned fire.

Deputies retreated to a position of cover and via the radio requested resources, reporting the suspect fled south on the sidewalk and then west in between some apartments. The orbiting Aero Bureau unit then saw the suspect running southbound to a nearby apartment building and out of view. The area was contained until a search warrant was signed by a judge. Additional assisting units, including a Special Enforcement Bureau team, converged on and contained the area and the apartment buildings were ultimately evacuated and searched. A number of individuals refused to

comply with commands to exit and most were subsequently arrested for trespassing. Suspect Whitfield and the weapon, a Kel-Tec 5.56 caliber assault rifle (see **Exhibit D**, figure 22), were located inside an apartment on nearby [REDACTED] and taken into custody. Suspect Whitfield was taken to Compton Station for interview, but upon being read his Miranda rights, he invoked and declined to provide a statement. The rifle was found inside Apartment [REDACTED] at [REDACTED] (see **Exhibit F**, a scene sketch and an apartment sketch).

EMPLOYEE WITNESSES

Hill, Brian A., Sergeant # [REDACTED]
Compton Station

Looney, Edward M., Deputy # [REDACTED]
Aero Bureau

NON-EMPLOYEE WITNESSES

None.

The neighborhood near the shooting scene on Grandee Avenue was comprised of numerous apartment buildings and is reported to have many Nutty Block Crips gang members and associates residing and visiting there. The residents were hostile to Sheriff's personnel during evacuation of the apartment buildings and virtually all were uncooperative. Numerous residents were arrested prior to and during the evacuation order and area search for the suspect and his assault rifle. Consequently, the area was not canvassed by IAB investigators for any potential additional witnesses and none was interviewed.

INJURIES

Suspect

Subject Whitfield was uninjured.

Deputy Personnel:

No injuries.

PHYSICAL EVIDENCE

One Kel-Tec, model SU-16, 5.56mm caliber semi-automatic rifle with an attached magazine containing eight live cartridges and one fired cartridge case within its chamber (see **Exhibit D**, photos, figures 22 and 23) were recovered from Apartment [REDACTED] at [REDACTED]

Fired 9mm caliber cartridge casings were retrieved (refer to **Exhibit E**, Scientific Services Bureau supplemental reports).

INVESTIGATOR OBSERVATIONS

The location on [REDACTED] running Grandee Avenue was comprised of several multi-unit two-story apartment buildings. Grandee Avenue ends with the street curving [REDACTED] to an [REDACTED] running street. [REDACTED], also made up of two-story apartment buildings (see **Exhibit D**, photographs of the scene). At the [REDACTED] end of Grandee Avenue (see **Exhibit F**, a sketch of neighborhood), was a [REDACTED] on the east side of the street. The [REDACTED] had distant lighting from Alondra Boulevard to the north.

REVIEW OF RADIO TRANSMISSIONS

The IAB investigator reviewed recordings of the radio traffic of involved and responding deputies. CIT Team Sergeant Hill can be heard confirming assisting units' positions and last minute instructions prior to his and Deputies Magadan's and Ramirez' approach. Sergeant Hill is also heard speaking with Air 22, and advising all monitoring personnel he anticipated civilian individuals in the area to flee south of Alondra Boulevard and away from their positions on parkways of Grandee Avenue. Sergeant Hill confirmed all units were in position prior to their approach.

The next broadcast is one of the ground units advising "998," and advising suspects, one in possession of a high-powered rifle, possibly an "AK-47," were running southbound in the complex. Air-22 acknowledged and identified suspects running toward the south buildings in the apartment complex. Compton Station units were also heard acknowledging and responding.

LIGHTING AND WEATHER CONDITIONS

It was clear and nighttime with ambient lighting from street lights at the time of the shooting.

As of September 30, 2008, the preliminary hearing has repeatedly been continued and is pending.

INVOLVED EMPLOYEE STATEMENTS

Involved Deputy Raul Magadan was interviewed by Internal Affairs Bureau Sergeants David Stunson and Steve Kim on May 14, 2008, at 1040 hours, at Internal Affairs Bureau. He was represented by Greene and Shinee attorney Mitchell Kander. The interview was digitally audio-recorded.

Deputy Magadan described their operation, their approach, a look-out's alerting of deputies' approach to the suspect, the suspect firing and his and Deputy Ramirez' returning fire.

For his complete interview statement, see Deputy Magadan's interview transcription.

Involved Deputy Henry Ramirez was interviewed by Internal Affairs Bureau Sergeants David Stunson and Steve Kim on May 14, 2008, at 1125 hours, at Internal Affairs Bureau. He was represented by Greene and Shinee attorney Mitchell Kander. The interview was digitally audio-recorded.

Deputy Ramirez described their operation, their approach, their presence being communicated to the suspect by the look-out, the suspect firing at them and Deputy Ramirez' and Deputy Magadan's returning fire.

For his complete interview statement, see Deputy Ramirez' interview transcription.

EMPLOYEE WITNESS

Sergeant Brian Hill was interviewed by Internal Affairs Bureau Sergeants Stunson and Kim at Compton Station on April 30, 2008, at 0100 hours. He was unrepresented during the digitally audio-recorded interview.

Sergeant Hill described his observations of the incident. He also provided a background and the need for the tactical operation which lead to the shooting.

For his complete interview statement, see Sergeant Hill's interview transcription.

Deputy Edward Looney was interviewed by Internal Affairs Bureau Sergeant David Stunson on May 7, 2008, at 0900 hours. The interview was digitally audio-recorded.

Deputy Looney stated he was assigned as the observer in Aero Bureau unit Air-22 on April 29, 2008, at the time of the deputy-involved shooting. His partner and pilot was Deputy David McNair (who was not interviewed for the shooting review).

Witness Looney said Air-22 was requested to respond to the Grandee Avenue location just south of Alondra Boulevard to assist "COPS deputies" who were deploying for a tactical operation to locate and arrest gang members involved in a recent crime. Deputies were spread out and positioned to contain the area as a group of personnel (Sergeant Hill, Deputy Magadan and Deputy Ramirez) approached the location on foot. Witness Looney said their helicopter maintained an orbit above the location as the deputies approached. One of the deputies on foot broadcast radio traffic they had been shot at and the suspect was running southbound away from the location.

Listening to the suspect description and his direction of travel to escape provided by the broadcasting deputy involved on the ground, Witness Looney said he saw the suspect running southbound behind the apartment buildings. As he tracked where the suspect was headed, he noted the suspect stopped at one particular apartment building and approached an apartment door, then went out of view under a porch roof. He broadcast that information to ground units.

Witness Looney said he did not see the muzzle flash from either the suspect's or deputies' position.

IAB Note: The information regarding the whereabouts of the suspect was utilized by Operation Safe Streets Bureau detectives, Special Enforcement Bureau and Compton Station patrol personnel as they completed their area search for the suspect and his assault rifle. Both the rifle and the suspect were located in an apartment bedroom as a result of this observation and Deputy Looney's broadcast to ground personnel.

Deputy Looney said their helicopter was equipped with a FLIR device but it was not used in this operation.

CIVILIAN WITNESS

None.

SUSPECTS STATEMENTS

After transport to the Compton Station, Suspect Whitfield was contacted by OSSB Detectives Joseph Valencia and [REDACTED] for interview. Detective [REDACTED] advised that Suspect Whitfield invoked his Miranda rights and declined to provide a statement.

MISCELLANEOUS

GSR Test - Operations Safe Streets Detective [REDACTED] advised the gunshot residue test sample submitted was not tested by the Crime Lab. Sheriff's Crime Lab Firearms Identification Section Supervising Criminalist James Carroll indicated each GSR submitted is evaluated by the Trace Evidence Section's criteria to determine whether or not the sample will be tested. In this case, the submission did not meet the criteria and was therefore not tested.
